

The Weaver

Partner with The Weaver

Offer your customers the best possibilities in Carpets & Rugs

Trusted reliable partner for all your
rugs and carpet solution.

The Weaver is a bespoke carpets and rugs manufacturing company.

We started out in 2012 and have had the privilege of working with some of the finest Architects, Interior Designers, Hospitality Groups and Real Estate companies in India and all over the world.

WHY THE WEAVER

Offering brilliant collections with limitless possibilities and exceptional quality, handmade rugs can turn your space into an ultimate work of art!

Luxury at its best!

Made For You, Made By You!

"Your space is 1 in a million, so should your rug be"
